

COVID-19 & flu simultaneous epidemic advisory is in effect.

Please make a diligent effort to take basic infection countermeasures at the end of the year and start of the new year!

- ☑ Wear a mask/ wash your hands/ avoid Three Cs (Closed spaces, Crowded places, Close-contact settings)/ ventilate rooms as appropriate for the circumstance.
- ☑ Take infection countermeasures diligently when eating or drinking.
- ☑ Take a COVID-19 test before/after visiting your hometown or traveling.
- ☑ Consider getting vaccinated (for COVID-19 & the flu) at an early stage.
